

In honour of the birthday of the writer Zofka Kveder,  
we cordially invite you to a screening of the film

**Genes of my children (Geni moje djece)**

by Croatian photographer and director Vladimira Spindler,

which will take place on **Tuesday, 22 April, at 18:00**

**in the Projection Hall of the Ljubljana City Museum**

at 15 Gosposka Street in Ljubljana.

Vladimira Spindler, great-granddaughter of the writer Zofka Kveder, has made a film about the women of her family who have been active in the field of art for four generations. Alongside their artistic talent, they also have the common bond of having had unhappy relationships with men. Genes of my Children is the story of women who have left their mark in culture and the difficulty of emancipation in all historical periods.

After the screening, Dr Katja Mihurko, an outstanding expert on Zofka Kveder and President of the Scientific Council of the Writers Route, will talk to the author Vladimira Spindler, her mother, children's writer Sanja Pilić, and her great-aunt, dance teacher Tihana Škrinjarić, and her daughter Maša Rehak.

The event is organised by the Association of Women Writers Route and the Forum of Slavic Cultures in the framework of the Ljubka's Trail project.

The film will be screened in Croatian with English subtitles.

### About the director:

Vladimira Spindler is a professional photographer, born in 1976 in Zagreb. She has photographed for numerous magazines such as Gloria, Elle, Playboy, Cosmopolitan, she was the official photographer of the Gavella Drama Theatre, and has occasionally collaborated with other theatres. She has exhibited her work in numerous individual and group exhibitions. She started working as a documentary filmmaker in 2017. Her filmography includes *Over the Edge*; *Mama, Why Are You Crying* (award at the Green Montenegro Film Festival 2017), *Friendship with a Triangle* and *Young Nun*.

The project is funded by the European Union through the Small Project Fund GO! 2025 of the Interreg VI-A Italy-Slovenia 2021-2027 programme, managed by the EGTC GO.
